Mr. E. C. Barnes, Secretary,
American Industrial Hygiene Association,
Westinghouse Electric and Manufacturing Co.,
East Pittsburgh, Pennsylvania.

Dear Barnes:

Thanks very much for the information about the outcome of the election and for your notes of the meeting of the Board of Directors at 6:30 P.M., on May 10. I do not know whether to rejoice or to weep over my election to the office. I certainly appreciate the compliment, but I am a bit dismayed at the prospect of more work. In any case I shall be present at the meeting. I want to point out, however, that this meeting is in conflict with the meeting of the Board of Directors of the A.A.I.P. and S. Their meeting begins at 4:30, extends through the dinner hour and on into the night. I am supposed to be at both meetings, a manifestly impossible feat. If either association should change its meeting, it would help me, but it is not imperative that this be done, since I can slip away from the A.A.I.P. and S. meeting in time for dinner with your group.

Sincerely yours,

Robert A. Kehoe, M. D.
