Dear Dr. Blaney:

Thank you for your letter of April 7th. Separately we are sending you a copy of our brochure titled "Laboratory Use of 'Ethyl' Antiknock Compound - Experimental AK-33X" in accordance with your request.

We are sending a copy of your letter to Dr. R. A. Kehoe in Cincinnati. He is in a position to advise you regarding the toxicological properties of AK-33X.

Yours very truly,

H. K. Ball, Manager
