

1 A That is a metal door, the frame that the
2 door goes in, but it is metal.

3 Q All right.

4 And you would actually stuff around it?

5 A Inside the door buck. When the door slams,
6 it don't make a ringing noise.

7 Q Am I right that the people who are
8 responsible for stuffing the door bucks were the
9 Plasterers union?

10 A The plasterers, yes.

11 Q Am I right there were about 200 doors on
12 each floor?

13 A Approximately, yes.

14 Q And there were 18 floors?

15 A Yes.

16 Q So if my math is correct, the plasterers
17 there had to stuff 3,600 doors?

18 A Approximately, yes.

19 Q Now let me switch to the Sinai Hospital.

20 You mentioned, I believe, on direct that you
21 were there for 12 months?
