Spick and span or shabby-*which*?

A paint-worn, "rusty" house is an eyesore to any neighborhood. You can make your home spick and span —truly a delight to the eye—by the judicious use of B-H Paints.

Paints of real character—permanent preservatives for woodwork of all sorts—a sure insurance against decay.

B-H

A little higher in price, but B-H Paints last twice as long so are far more economical in the end.
