I want to offer up the possibility of being introduced by Frank Lyon. Frank is a partner at the Schiff law firm in Chicago. He was the EPA Region 5 Administrator (as a very young man) at the end of the Clinton Administration. I worked closely with Frank, who represented Dow, on the negotiation of the CERCLA RI/FS AOC with EPA Region 5 for the Tittabawassee River. At the present time Frank does not represent Dow (he changed firms after the T. River). His family is prominent in Cook County Democratic politics.

Frank had been with the DOJ (and I believe with the Illinois AG's office before that and in the Army).

Regards,
Peter
