Subject: **Vinyl Chloride Research Program** - Continuation
of Multi-Component Studies at the **University**
of Louisville

Dear Dr. Dehn:

Sixteen companies have committed support for the third year University of Louisville study. As the number of companies participating is greater than anticipated, your company's proportionate share - invoice attached - is 11.8% less than the amount committed.

Sincerely,

A handwritten signature, likely of Albert C. Clark, is written in cursive script below the "Sincerely," text.
