Re: R. N. Wheeler, Jr., Consultants Agreement
Vaughn vs Union Carbide Corporation

Dear Jim,

Attached is the Consultants Agreement between Union Carbide Corporation and me effective August 8, 1986 for your information. Please pass this on to Mr. R. A. Butler for his file.

As requested in your letter to me dated July 10, 1986 with attachments I spent approximately one hour reviewing the Vaughn Interrogatories and the same amount of time discussing them with you by telephone. Under the terms of the agreement I should be paid \$75.00 for the work performed in July 1986 but the agreement was not in force in July 1986.

Please advise me as to the proper action in this matter.

Sincerely yours,

R. N. Wheeler, Jr.
