Subject: November 17, 2021, EPA Inspection

Dear Mr. Blair:

On November 17, 2021, the U.S. Environmental Protection Agency ("EPA") performed an inspection at Greenwood III. A copy of the inspection report is included as an attachment to this letter.

The inspection revealed that many areas of the site are not finally or temporarily stabilized, despite not being active for over 14 days, as required by part 2.2.14 of EPA's Construction General Permit. Please begin temporary stabilization at all areas of the site immediately.

Sincerely,

ANDREW SPEJEWSKI
