

52:41:10 0

A Well why didn't you tell me that?

13:52:43:20 0

Q And that's a September 30th, 1971 letter

13:52:46:30 0

that you addressed to the Asbestos Study

13:52:48:40 0

Committee, and you copied a whole bunch of other

13:53:18:50 0

folks. Let me pull that up here for you. And

13:53:20:60 0

this goes on to state that you were passing along

13:53:24:70 0

the information that Dr. Stefl gave you and you

13:53:26:80 0

again reiterate that it was to be kept

13:53:28:90 0

confidential --

13:53:30:00 0

A Okay.

13:53:30:10 0

Q -- did you not?

13:53:31:20 0

A Apparently I did, yes.

13:53:31:30 0

Q And you don't have an understanding as to

13:53:41:60 0

Ike Weaver or any of these guys, but I did -- I --

13:53:41:70 0

I don't know. Dr. Stefl came on kind of quick and

13:53:50:80 0

disappeared all of a sudden. At least Ike Weaver

13:53:51:90 0

stayed. Put it this way, I didn't know what was

13:54:02:00 0

going on.

13:54:02:10 0

Q Here is a letter that you wrote to

13:54:02:20 0

Dr. Stefl, and I will mark this as 7, dated

13:54:02:30 0

October 22nd, 1971, and take a look at that. Does

13:54:12:40 0

this reflect a call that you received from a lady
