**Subject:** press inquiry re: viral social media image

Hi, my name is Chris Tognotti, I'm a reporter with Bustle.com. I'm hoping to get a response from someone at the EPA as to whether this viral image (<https://twitter.com/safeclimatecamp/status/941692187544342528>) of a black substance coating a drinking fountain at the EPA headquarters is authentic?

Thanks in advance! I can be reached at this email, and at [Ex. 6]
