De sure of the... most for the least... group plan for workmen's compensation insurance, advice on building problems, bidding procedures and matters of a purely professional nature.

As now constituted the exchange consists of 3500 members divided into 33 local branches and trade organizations.

The Monterey Peninsula branch has 79 members. Jake Huizenga is president, George Dietl, vice president and James Flint, secretary. Members of the board of directors are Bill Coyle, Joseph DeMaia, Don McKillop, James Flint and Alec V. Drachenfels.

The blooms were presented to members... Burr discussed the planting of bulb. He said that about five inches was the best depth at which to plant and added that every three years was often enough to transplant most bulbs. Burr suggested planting petunias or Virginia stock, mixed with sand and scattered, over the bulbs after the blooming season is past. Lee Durden discussed plants
