Contract Review**

Contract Name: __API/ Sponsors_____

Effective Date: _____ **Renewal Date:** _____

Terms: compensation amount, payment schedule, termination option, audit, work product ownership:

Deliverables - Timeline:

Issues:

- 2 troubling; if we ignore , how do we make other parts binding (does paragraph 13 take care of this?
- 5a: need official OC membership list to comply with proxy requirement
- 5b refers to Section 7 – which refers to Appendix A – Shell does not have Appendix A. Need more explanation: is it the PI proposal, protocols, ?
- 9a: Need to amend cost of program
- 9a: “communication of results by the OC”???????????????????? Really?
- 9a: “facility costs of meetings” included in API budget
- 9b: need to address share basis
- 9c: need to address max cost per share and definition of a share
- 9d: Suggest adding “plus additional x/11 share of 6.3M deficient.
- 9f: payment schedule already amended by Amendment 1; need to amend again
- 11: get names right
- 16: Final date: Jan 1, 2007 – is this still okay
- Ratification for API – who will be signing in addition to Red (replacement for Bill Frick)
