NOT

Mr. Donald Burgess

New York 32, N. Y.

Dear Mr. Burgess:

During the week of February 7, 1955, I plan to attend a portion of the McIntyre-Saranac Conference on occupational chest diseases at Saranac Lake, New York. I will be in New York Monday afternoon and evening of that week. If it is convenient for you, I would like to spend some of this time with you to discuss our immediate problems in regard to the Paterson Plant CO claims.

Please advise if you will be available for a meeting at this time, also if there are any records, etc. that you are currently in need of that I might bring along from the old Paterson files.

Best regards,

E. A. Hayes:lh
