As discussed by phone, we will meet Friday, January 10 at 11:00 a.m. to discuss Cowles dispersible CPC blue toner. Come prepared to discuss the following topics:

What is the market and how does it relate to the presscake market?

What is the technical definition of the product? (How dispersed, quality of dispersion)

What is the status of our present experimental?

What is our future program?

The meeting will be in Conference Room A at Chestnut Run.
