WINDSHIELD WIPER REPAIR KIT-230

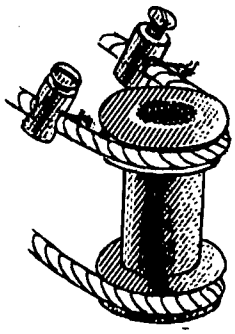

UNIVERSAL
WINDSHIELD WIPER CABLE LINKAGE REPAIR KIT

Before

3-4748

After

COUNTER DISPLAY CARD

Contains 12 No. 3-4748

Most late model cars (1947 and later) are equipped with dual wipers activated by cable linkage.

Any break can be QUICKLY, EASILY and ECONOMICALLY repaired with our repair kit - 60 to 75% less expensive than replacement.

Kit contains 2 brass screws, 2 brass collars and a length of wire cable.

Wire cable electrically cut and welded, eliminating fraying ends.

Kits are universal and fit both right and left sides.

BUICK	1949-58	HUDSON	1948-55	PACKARD	1948-56
