MEMORANDUM: Board of Directors

Gentlemen:

Dr. Bartle has asked me to call a meeting of the Board of Directors of our Association to be held in St. Louis, Missouri at the New Hotel Jefferson on Wednesday, May 10th, 1944. This meeting will start at 4:00 P.M., - we will recess for dinner around 6:30 P.M., and continue our meeting in the evening.

We hope you are planning to attend our 1944 annual meeting in St. Louis, as this conference promises to be unusually interesting and worthwhile. I am enclosing copy of the preliminary program which has just come from the printer.

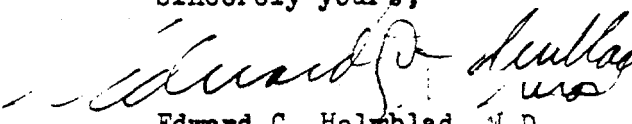

Will you please let me know as soon as possible just when you plan to arrive in St. Louis so I can arrange hotel reservation for you, if you do not already have it? I want to try and get all our Directors at the Jefferson Hotel if at all possible.

I have heard from one or two men that their wives were accompanying them to St. Louis. We would like to know of any other cases where wives or families will be with our members so we can plan to make the St. Louis visits of our women guests a pleasant experience for them.

Looking forward to seeing you in St. Louis,

I am

Sincerely yours,

Edward C. Holmblad, M.D.
Managing Director
