ERIC EIKENBERG on the NOMINATION OF MATTHEW Z. LEOPOLD  
AS E.P.A. GENERAL COUNSEL

**[Palmetto Bay, Fla.]**, – Eric Eikenberg has issued the following statement in response to the President’s nomination of Matthew Z. Leopold to the position of General Counsel to the Environmental Protection Agency (EPA):

“Few attorneys in America are as familiar with the legal issues – and importance – of Everglades restoration as is Matt Leopold, and I heartily applaud his nomination to be the next General Counsel of the EPA.

“Our paths have crossed often in the 12 years since I first met Matt. I respect him as an attorney and a person of integrity. He understands the importance of America’s Everglades and the critical need for restoration. Matt will serve Florida and our nation well, and I look forward to working with him and the EPA to ensure America’s Everglades is protected and restored.”
