With a Little Work

"That's Fun"

You can do wonders in brightening up your home

HERE and there about your home there may be places which you would like to have beautified and refinished. Why not do the work yourself?

Painting is really fun. You can do the work as well as anyone else if you follow the simple directions which we will send you.

Our "Home Service Paint Department" was organized just to help women refinish little things about the home. Write us what you want to do and how you want it to look when refinished. Our experts will guide you through the work step by step, making every phase of it clear and simple. They will recommend material, brushes, etc.

nishes, Enamels, Wall Finishes and Stains made especially for your use. They are the best materials of their kind that we know after 73 years of experience in making paints.

Start working these little wonders in your home and take advantage of Fuller's Free Advice and Fuller's Products to make the work easy and successful.

Washable Wall Finish

Washable Wall Paper is a flat-on-paint which produces soft pastel effects. It is easy to apply and easy to keep clean, a damper of color than even all unsightly marks. It is washable, is delicate, too.

We also make Silkworms, Enamel, Decorated Varnish Stains, All purpose Varnishes, Rubber Cement, Floor Paint, Putters for Plough Varnish, Kaildewear Varnish, Iron Wax, Auto Enamel, Fuller's Hot Water Wax, Enamels, Stains, and Step Paint, and PIONEER WHITE LEAD.
