Hi Mr. Cook and Mr. Breen,

Hope all is well. Attached please find a letter from a group of trade associations urging EPA to withdraw its Interim Framework for Advancing Consideration of Cumulative Impacts. We appreciate your consideration of our request, especially as the current comment deadline is next Wednesday, Feb. 19. We welcome the opportunity to discuss further with you and your teams. Please let me know if you have any questions or need more information.

Thank you so much and have a good weekend,
Caitlin
