PROF. EDWARD E. PAINE

Greatest of All

Eminent Discovered
**PAINE'S
COMPOUND**

Prof. Edward E. Paine was born in Connecticut, Yale.

His unusual talent soon gained him recognition and prominence. He held the professorship of anatomy at the Vermont University. In the following year he was appointed lecturer in the important professorship of physiology. His place that he occupied in the world-famed discovery of the compound.

This infallible cure for the result from an impaired impure blood, has ended to the world.
