There should be a chance. Do you have a few times on those days you can provide and I can check with my scheduling folks?

Hey! Is there any chance he can do either tomorrow or Tuesday? Also, adding Troy Lyons and Preston Cory now handling the Governor's portfolio who would be staffing the call.

You are losing me but I'm not going far— just down the hall to head the Office of Public Engagement/ Business Outreach.

Sorry to keep going back and forth on this, but it sounds like the Administrator is going to be in a place with bad cell service on Friday AM of next week. Are there some other dates/times you might suggest? Or later that day perhaps?

Just gave you a ring, but the vmail box is full. Have some information for you that should help schedule the call with the Administrator. Please give me a call when you can.

Hi Tate- the state will likely submit the waiver requests within the next couple of days. Once they're received, the Governor would like to discuss them with Administrator Pruitt. I'm just trying to get the call scheduled ahead of time!

Hi there-Can you clarify on which waver? He will be on the road next Friday but I'm sure we can work something in! Likely 10 Eastern. Copying our advance team for their input.

Hi Tate,

I am hoping to schedule a call between Governor Walker and Administrator Pruitt as a follow up to the waiver requests submitted by the state. The Governor has the following times available on **Friday, August 25th**:

- 9:00am EST
- 9:30am EST
- 10:00am EST

Please let me know if any of these times work or if you need more other information.

Thank you!
