Mr. Frank J. Vendt
Georgia Gulf Corporation
P.O. Box 629
Plaquemine, LA 70765-0629

Dear Frank:

Below please find the following suggestions/additions for the VCNet Brochure:

1. Fire or Explosion

Add the following sentence.

"May violently polymerize if exposed to air, sunlight and heat."

2. Health Hazards:

Add to the following sentence: "May be poisonous if inhaled
and could cause death."

3. In Case of Accident:

Add to the following sentence. "Evacuate areas endangered by gas
and keep in mind spills may expose local downwind areas to toxic or flammable
concentrations over considerable distances."

4. Spill/Leak

Add the following sentence.

"Notify all appropriate authorities."

FRANK J. VENDT
RECEIVED
MAR 10 1997

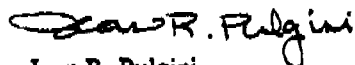

4800 POST OAK PLACE • SUITE 153 • HOUSTON, TEXAS 77027

CMA 112491

5. For clarity change Emergency First Aid to:
"Immediate Response Emergency First Aid Response"
Add the following sentence.
"Call for emergency medical care immediately."
6. For clarity change "Fire" to:
"Fire Response"
7. You might want to add to front cover under:
"THE VINYL CHLORIDE MUTUAL AID NETWORK"
"A Volunteer Public Service Promoting the Safe Distribution of VCM."

Please do not hesitate to call me if you have questions or require further information.

Best Regards,

Jean R. Pulgini
Sales Manager
