It appears that it will just be Mr. Murray and myself. Do you need our DOB or SSN?

Thanks! Let's reconnect a little closer to see about specific times?

Hi Peter,

As far as I can tell we should be in town. I can put a hold on the calendar that day and if a potential conflict arises, I'll loop back with you. Are you thinking morning or afternoon?

Best,

Sydney

Hi Sydney,

Thanks for the email and apologies for the delay in getting back to you. At this point, it's hard to say when Andrew may be in DC again due to a lot of additional commitments in April... However, it does look like he will be there for a speech on May 2nd. Any chance Administrator Pruitt would even be in DC then, as far as you can tell?

Thanks!

Peter

Hope this email finds you well! I am reaching out today about setting up a meeting to continue the discussion between Dow Chemical and Administrator Scott Pruitt. My apologies for the delay in getting this email into you—it has been a crazy time over here! Samantha let me know we need to get you on the schedule. What kind of time frame are you thinking on setting this up? Looking forward to working with you on this!
