Mona Blomdin Persson
Head of Department – Development of legislation and other policy instruments
Swedish Chemicals Agency
Sweden

Dear Ms Blomdin Persson,

Attached is a request for information from Bio-Rad Laboratories, concerning the PFAS restriction proposal and the inclusion of use cases within life-sciences and analytical laboratory equipment categories. Bio-Rad Laboratories provides a range of products for life science research and clinical diagnostics.

In case you are not the correct person to address the attached question to, we would be grateful if you might let us know whom in KEMI we might be able to follow up with.

with kind regards,

Edward Strange
on behalf of Bio-Rad Laboratories
