Thanks,... and thanks for the meeting yesterday. Although it was a bit difficult to hear everything (and I missed my special lunch), it seemed to be an effective meeting.
Thanks for the advanced preparation.

Hi Stuart –

You are indeed invited to attend the upcoming SRP/ERP meeting with investigators. You are not obliged to participate, but the invitation has been extended to the usual Technical Committee suspects (you & Jennifer)...

The meeting (if it occurs this summer – odds are not favorable) will likely include some telephone participants, so this would be another option for you.

Best Regards – Bruce.
