CLAIM NUMBER:

130 C 459452-4

DESCRIPTION OF ACCIDENT AND INJURY:

~~Claimant was driving a truck from Texas to Georgia and had a stroke. There is no proof that driving caused the stroke. Mr. McNabb testified that the driving could have aggravated the symptoms. Case was controverted. Claimant had a prior stroke in 1974 and treated for various cardiovascular diseases for past eleven years.~~

GROSS RESERVES: COMPENSATION

41,660

MEDICAL

PERMANENT DISABILITY FACTORS:

Stroke. Claimant's hospitalization insurance has paid out \$5,941.07 in medical bills.

PROGNOSIS OF CLAIM:

~~Lost at hearing on March 28, 1986. Finding for claimant was affirmed by the full panel. Hearing in superior court held on January 26, 1987. Awaiting order from Judge.~~

SUBROGATION POSSIBILITIES AND ACTIVITY:

None under Georgia Workers' Compensation law.

IS CLAIMANT EXPECTED TO CONTEST CLAIM BEFORE BOARD OR COMMISSION? ☒ YES ☐ NO IF YES, PROBABLE RESULTS.

~~Chances of succeeding in our appeal are not good, according to our defense attorney.~~

COMMENTS:

~~Our defense attorney estimates that it will take at least \$30,000. to settle. Do not have any settlement authority. Settlement evaluation is 52 weeks TT X \$155. = \$8,060. 40% to body as a whole = 120 weeks x \$155. = \$18,600 + 15,000 settlement + \$8,060 + \$41,660.~~
