SAFETY AND HEALTH

A BIBLIOGRAPHY

1945 EDITION

Compiled By The

NATIONAL SAFETY COUNCIL

20 NORTH WACKER DRIVE • CHICAGO 6, ILLINOIS

Aniline

National Safety Council

Aniline. 1937. 1p. 15¢ to members; 30¢ to others. (Data Sheet No. D-Chem. 24)

Antimony

National Safety Council

Antimony and its compounds. 1937. 1p. 15¢ to members; 30¢ to others. (Data Sheet No. D-Chem. 22)

Arsenic and Arsenic Compounds

American Standards Association

Allowable concentration of metallic and arsenic trioxide. 1943. 17p. 20¢.

National Safety Council

Arsenic and its compounds. 1935. 1p. 15¢ to members; 30¢ to others. (Data Sheet No. D-Chem. 13)

U. S. Division of Labor Standards

Cause and prevention of arsenic poisoning. Government Printing Office. 1939. 4p. 5¢. (Industrial Health Series No. 3)

Asbestos see Dust-Health Hazards

Asphalt

National Safety Council

Asphalt. 1939. 2p. 15¢ to members; 30¢ to others. (Data Sheet No. D-Chem. 30)

Automobile Driving see Commercial Vehicles

Automobile Industry see Motor Vehicle Industry

Barrels and Drums see Chemicals and Chemical Industry; Handling Materials

Belts and Belt Shifters see Power Transmission

Benzene (Benzol)

Air Hygiene Foundation

Determination of benzol vapor in the atmosphere. 1938. 8p. (Preventive Engineering Series, Bulletin No. 2. Part 1)

American Standards Association

Allowable concentration of benzene. 1941. 7p. 20¢

National Safety Council

Benzol. 1940. 8p. 35¢ to members; 70¢ to others. (Health Practice No. 14)

U. S. Division of Labor Standards

Cause and prevention of benzol (benzene) poisoning. Government Printing Office. 1939. 5p. 5¢. (Industrial Health Series No. 8)

Beryllium

U. S. Public Health Service

Toxicity of beryllium. By Frances Hyslop and others. Government Printing Office. 1943. 56p. 15¢. (National Institute of Health Bulletin No. 181)

Beverages see Food Industry

Dust-Explosion Hazards (Continued)

U. S. Bureau of Mines

Inflammability and explosibility of metal powders. By Irving Hartman and Others. 1943. 44p. Free. (R.I. 3722)

See also Fire Protection; Specific Subjects.

Dust-Health Hazards

Drinker, Philip and Hatch, Theodore

Industrial dust. McGraw-Hill. 1936. 316p. \$4.00.

Lanza, A. J. and others

Silicosis and asbestosis. Oxford University Press. 1938. 439p. \$4.25.

National Safety Council

Industrial dust. 1939. 10p. 35¢ to members; 70¢ to others. (Health Practices No. 4)

Silicosis. 1937. 4p. 35¢ to members; 70¢ to others. (Health Practice No. 20)

U. S. Division of Labor Standards

National Silicosis Conference. Final reports. Part 1. Medical control. 112p. Part 2. Engineering control. 62p. Part 3. Economics, legal and insurance phases. 86p. Part 4. Regulatory and administrative phases. 64p. Government Printing Office. 1938. 15¢ each. (Bulletin No. 21)

U. S. Public Health Service

Health of workers in dusty trades. VII. Restudy of a group of granite workers. By A. E. Russell. Government Printing Office. 1941. 71p. 15¢. (Public Health Bulletin No. 269)

Pneumoconiosis among mica and pegmatite workers. By W. C. Dreesen and others. Government Printing Office. 1940. 74p. 15¢. (Public Health Bulletin No. 250)

Study of asbestosis in the asbestos textile industry. By W. C. Dreesen and others. Government Printing Office. 1938. 126p. 20¢. (Public Health Bulletin No. 241)

See also Health Hazards; Specific Subjects.

Electric Railways see Transit Industry

Electricity

National Board of Fire Underwriters

National electrical code. Standards of the NFBU for electric wiring and apparatus. ASA code. 1940. 360p. Supplement 1942. 38p. 5¢.

National Bureau of Standards

National electrical safety code. 5th ed. ASA code. Government Printing Office. Part 1. Safety rules for the installation and maintenance of electrical supply stations. 1940. 65p. 10¢. (Handbook H31); Part 2. Safety rules for the installation and maintenance of electric supply and communication lines. 1941. 177p. 65¢. (Handbook H32); Part 3. Safety rules for the installation and maintenance of electric utilization equipment. 1940. 80p. 15¢. (Handbook H33); Part 4. Safety rules for the operation of electric equipment and lines. 1938. 56p. 10¢. (Handbook H34); Part 5. Safety rules for radio installations. 1939. 25p. 10¢. (Handbook H35); Part 6. Safety rules for electric fences. 1940. 13p. 5¢. (Handbook H36).

National electrical safety code. Discussion of part two and ground rules. 1944. 162p. 75¢. (Handbook H39).

Trinitrotoluene (TNT) see Explosives

Trucks - Hand see Handling Material

Trucks - Motor Vehicle see Commercial Vehicles

Trucks - Power see Handling Material

Turpentine

National Safety Council

Turpentine (Oil of turpentine). 1935. 1p. 15¢ to members; 30¢ to others.
(Data Sheet No. D-Chem. 12)

Ventilation and Exhaust Systems

American Society of Mechanical Engineers

Design of industrial exhaust systems. By John L. Alden. Industrial Press.
1939. 220p. \$3.00.

National Board of Fire Underwriters

Air conditioning, warm air heating, air cooling, and ventilating systems.
ASA code. 1940. 29p. 15¢. (NFBU Pamphlet No. 90.)

National Safety Council

Exhaust systems. 1939. 11p. 35¢ to members; 70¢ to others. (Safe Practices No. 32)

Industrial ventilation. 1939. 8p. 35¢ to members; 70¢ to others. (Safe Practices No. 37)

Warehouses and Shipping Rooms

National Safety Council

Accident rates in the miscellaneous industries. Issued annually. 75¢ to members; \$1.50 to others.

Warehouses and shipping rooms. 1942. 16p. 35¢ to members; 70¢ to others.
(Safe Practices No. 59)

Welding

American Society of Mechanical Engineers

Standard qualifications for welding procedure and welding operator. Section IX. ASME Boiler Construction Code. 1943. 44p. 65¢.

International Acetylene Association

Safe practices for installation and operation of oxy-acetylene welding and cutting equipment. 1940. 59p. 25¢.

Tests for the selection of welding operators. 1940. 18p. 20¢.

Metropolitan Life Insurance Co.

Health protection in welding. 28p. Free.

National Fire Protection Association

Preventing cutting and welding fires. 1942. 16p. 10¢.

National Safety Council

Electric welding. 1941. 12p. 35¢ to members; 70¢ to others. (Safe Practices No. 105)

Gas welding and flame cutting. 1941. 15p. 35¢ to members; 70¢ to others.
(Safe Practices No. 23)

New Jersey Department of Labor

Standards for the protection of workers in gas and electric welding. 1943. 23p. Free.
