NOTICE OF INSPECTION

Date: 6/27/23	Notice of inspection is hereby given according to Section 1445(b) of the Safe Drinking Water Act (42 U.S.C §300f et seq).
Hour: 8:00	

Firm Name: SCOUT ENERGY

Firm Address: 1820 W HIGHWAY 40 ROOSEVELT, UT 84066

REASON FOR INSPECTION

For the purpose of inspection records, files, papers, processes, controls and facilities, and obtaining samples to determine whether the person subject to an applicable underground injection control program has acted or is acting in compliance with the Safe Drinking Water Act and any applicable condition of permit or rule authorization.

Section 1445(b) of the Safe Drinking Water Act is quoted below:

Section 1445(b)(1): Except as provided in Paragraph (2)[of this section of the SDWA], the Administrator, or representatives of the Administrator duly designated by him, upon presenting appropriate credentials, and a written notice to any supplier of water or other person subject to (A) a national primary drinking water regulation prescribed under section 300g-1 of this title, (B) an applicable underground injection control program, or (C) any requirement to monitor an unregulated contaminant pursuant to subsection (a) of this section, or person in charge of any of the property of such supplier or other person referred to in clause (A), (B), or (C), is authorized to enter any establishment, facility, or other property of such supplier or other person in order to determine whether such supplier or other person has acted or is acting in compliance with this subchapter, including for this purpose, inspection, at reasonable times, of records, files, papers, processes, controls, and facilities, or in order to test any feature of a public water system, including its raw water source. The Administrator or the Comptroller General (or any representative designated by either) shall have access for the purpose of audit and examination to any records, reports, or information of a grantee which are required to be maintained under subsection (a) of this section or which are pertinent to any financial assistance under this subchapter.
