Concerning your request for a check on the shipment of FR fluid to Boeing during 1963 the following information was found:

Taken from December 1963 #4 IBM run:

Renton, Washington purchased Therminol FR-1

Seattle, Washington purchased Aroclor 1254
1268
5460
Transformer Inerteen PPO
Pyranol 1470
Pydraul 150
Coolanol 45
Pydraul AC
Skydrol 500A

I hope this helps you to track down whether or not the fluid was FR.
