Subject: Meeting with Major Fuel End-User (AAR) on the Point of Obligation

Good morning, Ms. Dravis and Ms. Gunasekara –

On behalf of our client, the Association of American Railroads ([AAR](#)), I respectfully request an opportunity to meet with you to discuss the point of obligation under the Renewable Fuels Standard.

AAR represents the major freight railroads, which are significant end-users of diesel fuel, and has a unique perspective to offer on this issue.

Many thanks (in advance) for your interest in this matter, I look forward to hearing from you at your earliest convenience.

Respectfully,

Eva
