Gentlemen:

Due to an increase in our Louisiana State Unemployment Tax rate, the additive to the labor cost of men engaged in performing work will be increased from 9.13% to 9.65%.

A charge of 9.65% of the premium portion of overtime will be charged for payroll taxes without an additive for overhead and profit.

No charges will be included for workman's compensation liability insurance since this coverage is being furnished by you.

The effective date of this increase will be April 2, 1976.

Very truly yours,
