

LEAD INDUSTRIES ASSOCIATION, INC.

222 MADISON AVENUE

NEW YORK 17, N. Y.

October 16, 1963

SUBJECT: EXPOSITION OF
CHEMICAL INDUSTRIES

To Members of the Lead Industries Association, Inc.:

We are sponsoring an exhibit at the 29th Exposition of Chemical Industries in the New York Coliseum, December 2-6, 1963 (Booth #3214, 3rd Floor).

Our exhibit will feature lead's corrosion resistance to various chemicals and the properties and uses of new lead compounds.

Enclosed is an invitation-registration card which, upon presentation at the door, will admit you to the Exposition without charge. If you wish additional invitation cards, please let us know. An explanatory leaflet is also attached.

We hope to welcome as many of our members and friends as possible to our booth.

Very truly yours,

Jerome F. Smith
