Titanox® hairsplitter behind the brightest yellow wagons

TITANOX TiO_2 is hairsplit into the most complete line of brighteners, whiteners, opacifiers. Rutile, anatase and C pigments. Sulfate and chloride process. And our newest brainchild, TITANOX CL-NC . . . the absolute best non-chalking gloss-retaining TiO_2 on the market. TITANOX is uniformity and quality controlled to the nth degree. And there's enough for everybody. Sold worldwide to the hairsplittingest paint people. If you're one of them, contact us. In principal cities; 111 Broadway, New York, N.Y. 10006; and Canadian Titanium Pigments Ltd., Montreal.
