Nitrokote *Lacquer* Enamel

You don't know how interesting painting is until you've used Nitrokote Enamel—the Lacquer that dries in half an hour!

With the ten popular Nitrokote colors, you can renew tables, chairs, book-racks, candle-sticks, ferneries—all sorts of furniture and art objects. Use it to refinish Baby's carriage, or to delight little Junior with a shiny new coat for his beloved but much-abused wagon.

wax—in paste
or liquid form.

Nitrokote not only gives new life and lustre, but also protects with a veritable armor. Its satin-smooth surface resists grease, gasoline and hot soap-suds.

Nitrokote is almost magical in its transformations—and in the rapidity with which it dries. Nitrokote Enamel is sold only by Fuller dealers. Put in on your shopping list today!
