I'm sorry Donelle! It did come through that time and looks like we will be able to do it! We have one other event that day that I will need to work around-- how quickly will you need to firm up the morning time slot? Looking forward to working with you on this!

Thank you!

Hi Sydney –

It seems the past two times I tried to send it your way, the form came through blank. Here it is in PDF version. Please let me know if this works out better!

Thank you for this good news!

Good afternoon Donelle,

Hope your day is going well! Ryan forwarded over your request for Administrator Pruitt to speak on May 25th. Thank you for reaching out! This looks like something we should be able to arrange on the 25th. Would you please fill out the attached event request form so that we may begin to work on calendaring your request?

Thank you!
