

Dear [REDACTED],

Thank you for your kind invitation to speak at "The PFAS Forward Action Summit".

ECHA, due to a combination of factors including limited resources and the high level of speaking requests we are currently receiving, can only attend a small fraction of the events it is invited to. Bearing this in mind, and due to the general pressure on ECHA's resources and the diaries of staff, we are unfortunately unable to provide a speaker for this event.

Thank you for your understanding and I wish you a successful event.

Best regards

[REDACTED]

Event Title, Place and Date: PFAS Forward Action Summit held at ETH Zurich on
November 19, 2024

Language/s used at event: English

Target audience: We plan to have approximately 60–70 attendees, including academics, scientists, regulators, policy advisors, industry leaders, and technology providers.

Expected number of participants: 60-70

Registration fee for participants: 0

Number of presentations from ECHA: 1

Program agenda and Topic/s that ECHA is expected to present: At the summit, we'll cover a wide range of PFAS-related topics—recent research, evolving regulations, industry challenges, and innovative remediation technologies. We're excited to have researchers and leaders from top organizations such as EMPA, Syngenta, Patagonia, ERM, and Veolia already joining us.

We would be honored if a member of the ECHA team would consider speaking in a moderated session about the evolving regulatory landscape in Europe.

I have attached our preliminary agenda to give a clearer sense of the program, topic area, and fellow speakers.
