PAIN is the garment—the costume—that heightens the
charm and personality of your furniture—just as truly with
a colorfully-enameled kitchen chair as with a finely-finished
living room table.

Chairs and tables for your breakfast nook, the porch, the young-
sters' play room, the kitchen—tabourets, candle sticks, boxes,
baskets, seed pods, reeds, and innumerable small objects—all
give you opportunity to clothe or re-clothe your "furniture
family" in those delightful costumes prevailing in the decorat-
ive modes of the moment!

And truly a fascinating play-task—with Decoret Enamels and
Bronze Paints. Shades and colors that sparkle or that give back
their richness in less sprightly manner. And sold in cans of
convenient sizes—from half a tea-cup to a gallon!

As a help in this delightful work, send for our free book on
