IMPORTANT ANNOUNCEMENT

At the urgent request of the merchants and business men of San Mateo to combine the listing of the residents, the publishers have deemed it advisable to make that change in the annual directory. Frequently we are told names are missing and they are listed in one of the other towns. This issue of the directory affords any chance of not finding the name wanted. The names are listed first and the Burlingame, Hillsborough and San Mateo in alphabetical order regardless of location, with the name of the street heading. In other words you only have TWO towns instead of FIVE, as heretofore. Hillsborough residents living in Burlingame or San Mateo, depending on which Post Office section they live in. We trust that this change or arrangement will merit your approval.

Respectfully yours,

ARTHUR
