Dear Secretary Bernhardt,

Thank you for meeting with me during my recent trip to Washington, D.C. I appreciated the opportunity with you to share our industry perspectives and update you on our U.S. operations.

Additionally, I appreciated our discussion on issues important to Chevron and the agency, including onshore and offshore access, financial assurance, and the Permian Basin. Chevron stands ready to assist you and your staff on these and other important issues. Please continue to view us as a resource and let us know how we can be helpful.

Please do not hesitate to contact me directly or Maria Pica Karp in our Washington office at (202) 408-5858, if you or your staff have any questions.

Sincerely,
