

1 Q Doctor, the first article I would like to
2 ask you about -- oh, sorry. Sorry about that.

3 THE COURT: If you would stand back toward
4 me one step. That is good, Doctor.

5 Thank you.

6 BY MR. HOFFMAN:

7 Q This is the 1976 article by Lorimer and a
8 group including Dr. Selikoff; is that correct?

9 A Yes.

10 Q And at what medical institution was this
11 group located when it published this?

12 A Mount Sinai in New York, as you can see
13 right here.

14 Q Does Mount Sinai's medical group have a
15 particular place in the history of, I guess,
16 popularizing information about asbestos disease?

17 A I wouldn't have said the popularizing. I
18 would have said the dissemination of the information,
19 because they are the ones who basically did the
20 heaviest duty research in the early days on asbestos
21 in the U.S.
