

MEMORANDUM

TO: Nevada Power Litigation Team
FROM: Lynda Garfinkle 
RE: Nevada Power Company v. Monsanto Company, et al.
DATE: July 27, 1993

I have just been instructed that **NO** copies whatsoever are to be farmed out for copying without **PRIOR** permission from Sue Fogleboch at Nevada Power Company.

If you have obtained permission from Sue, a memorandum must then be sent to Tom Christensen stating the date and time you talked with Sue, what her response was, the size of the copy job and where it was sent to.
