Subject: BHRC - Financial Reports and Processes - Suggested items

Pat,

Don and I have exchanged emails and voice mails over the last week to try to develop an agenda for the upcoming meetings. Attached is the draft OC agenda. A second page contains details of the kind of financial decisions, processes, and reports that we would like to get agreed at the meeting. This is a draft, so feel free to input. I have some ideas with regard to formatting, timing, decision making, etc. Will forward to you later this week.
