Patrick,

That works for me. I will plan to call you at your office: (303 312-6855, unless there is a better phone number.

Question: Could there be two Patrick Davis's at EPA? I intended to reach out to the Patrick Davis at EPA headquarters working in the Office of Land and Emergency Management.....

Andy O'Hare

Subject: CERCLA 108

Mr. Davis,

Good morning. I am writing in regards to the CERCLA 108 final agency action anticipated for December of this year and wondered if we could have a brief conversation regarding same. My members and myself were in recently to meet with Barnes Johnson and his colleagues as well as with Bryon Brown.

Please let me know when would be a convenient time for you for a brief conversation.

Regards,
Andy O'Hare
