Yes, I've just populated the "Total Outlaid Amount (est)" and "Remaining (est)" columns for the Feb 13 grants.

Looking forward to the next set!

Best,
Cole

On the 2/13 grants reviewed, can you add the remaining amount of the grant? That would be helpful to see that information moving forward like it was presented on the 2/11 grants.

Hope to have another set (contracts and grants) coming y'all's way soon.

Thank you for this update Travis.

As a note: OMS is giving input on whether they think any given contract is mission-critical, and they didn't mark any of these contracts as mission-critical.

OMS is now moving forwards with terminating these contracts.

Best,
Cole

I have added a column "T&C" that indicates no notice and comment period required for the contracts and grants we already sent you. As you can imagine, the DOGE team has lawyers that are pretty experienced with grant and contract cancellation at this point, so that's what that is based on!

I will also add that the careers in EPA OMS are already supporting us on this – they are the ones who will be executing the cancellation on your greenlight, not us. They see no issues with cancelling the Feb 11 list of contracts, and we're sharing the Feb 12 list with them now. They seem very knowledgeable about this topic, so I think you should trust them on how to cancel properly!

Kathryn

Thank you so much! This is really helpful. Paige and I had a good discussion with the Administrator last night reviewing the examples and process.

Ex. 5 Deliberative Process (DP)

Otherwise he liked the process and agrees that we'll be able to quickly move through reviewing these once that element is addressed.

Sorry again to add one more aspect, but with that I believe we'll be able to cover all the elements requested by the Administrator.
