January 11, 1982

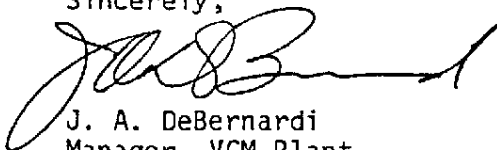

Mr. R. D. Ray
134 Wildwood Drive
Cartersville, GA 30120

Dear Mr. Ray:

Thank you for your letter of January 1, 1982. It is always good to know that our aid to education programs are of benefit to the young people training to enter the chemical industry.

I would like to express my best wishes in your continuing Chemical Engineering educational program as well as your future career in this very challenging industry.

Sincerely,

J. A. DeBernardi
Manager, VCM Plant
Conoco Chemicals Co.
Lake Charles, LA.
