Good morning Aurelia,

We are looking forward to speaking with you tomorrow. Laura Nagy (Director, Permitting and Environmental Affairs) and Matt Becker (Senior Permitting and Environmental Manager) from AvanGrid Renewables will be joining us on the call.

Attached are some background materials on Blue Creek HCP, including:

1. A fact sheet on AvanGrid Renewables (the developer/operator of Blue Creek)
2. A short slide deck providing background information on the Blue Creek wind energy facility, a history of the HCP process, HCP components, and timeline.
3. A November 12, 2018 letter from AvanGrid Renewables to the USFWS Columbus Field Office
4. An email chain between USFWS and AvanGrid Renewables subsequent to the November 12, 2018 letter.
5. The March 3, 2015 Technical Assistance Letter (TAL) under which Blue Creek has been operating at a reduced level.

Should any questions arise between now and our call tomorrow, please do not hesitate to reach out to us. Otherwise, we will talk to you then.

Thank you,
Brooke
