**Paint Protection is Economy**

A building painted with W.P. Fuller & Co.'s Paint is wrapped in a weather-tight covering. Dwellings, Barns, Fences and other structures, whether of Wood, Metal or Concrete, should be preserved from decay and disintegration by the use of good Paint. A square yard of Paint costing upon a surface costs a few cents, yet it will beautify and protect dollars' worth of property for many years. Destructive elements are always at work, a little chip here, a little spot of decay somewhere else, and soon the building is an old building, and Paint, W.P. Fuller & Co.'s Paint, would have prevented the destruction.
