Dear Professor Fu ?o:p>

Shan Tsai called me yesterday, and I was sorry to learn that you have waited for a reply from API to emails sent earlier this year. Unfortunately, neither jarnotb@api.org nor shanghaihealthstudy@api.org has received email from Fudan University in recent months.

Shan kindly forwarded your email and attached file, so API has now received your proposed 2005 Fusan University invoice for the Shanghai Health Study (attached file).

We will review this invoice and promptly reply with any suggested modifications, if needed, and we will also confirm when the invoice has been submitted for payment.

Best Regards - Bruce.
