Sounds good; Merry Christmas and Happy New Year (if we don't see you/talk to you before then!)

Dear Liz and Tate, I try to keep our longest segment to twenty minutes, unless we're dealing with some crises. So plan to speak for ten or less and then have ten or more minutes of questions and discussion. As for Tate's question in another e-mail, we usually have between 30 and 45. I will not advertise that you will be at the meeting unless you want it. Yours, Myron.

Great, thank you Myron. How much time would put folks speak of the 75?

Dear Tate, Cooler Heads only meets once a month, so I'm glad you couldn't make it today. Our next meeting is Monday, 8<sup>th</sup> January, beginning at 12 noon at CEI. I've put you on the list, so you'll get notices. If you can make it on the 8<sup>th</sup>, I'll put you near the top of the agenda in case you need to leave early. Meetings usually last from 75 to ninety minutes. Yours, Myron.

Myron,

Are you all having a meeting next week? Liz and I were pulled into a conference call and could not attend today.

Best.

Hey Myron! Unfortunately Erik can't make it and Liz and I both have previous conflicts. We were trying to make this week work last minute, but it's looking like this won't be the case this week. Can we get on

the agenda for the NEXT meeting? Assuming that is next week/Monday? Hopefully Liz or I can both attend and can bring someone from GC Office. Thank you!

Dear Tate, Yes. What do you want to talk about? And the attendees will have some questions on a variety of energy issues. No worries if Erik can't answer some of them, though. Thanks, Myron.

Erik Baptist will attend but needs to be back at EPA by 1. Can he have one of the first speaking spots

issues are dealt with quickly and most of the ninety minutes is spent on the top one or two items. This month we will definitely be talking about the Kigali amendments as one of the main agenda items. Ryan, Samantha, Mandy, and Brittany are on the distribution list (and Richard Yamada and John Konkus, I think), and Mandy and Brittany have attended many Cooler Heads meetings over the years and one or two since they joined EPA. Yours, Myron.
