

LEAD INDUSTRIES ASSOCIATION

400 LEXINGTON AVENUE

NEW YORK 17, N. Y.

November 19, 1954

SUBJECT: NATIONAL
TECHNICAL TASK COM-
MITTEE MEETING

To Members of the Lead Industries Association:

The Lead Industries Association is represented by one of its staff members on the National Technical Task Committee on Industrial Wastes, a group organized under the auspices of the Federal Security Agency, for the study of water pollution control. The next meeting of this group will take place January 13 and 14, 1955. In the interim the members of the Association having any specific problems involving water pollution are invited to submit their problem to the Association for presentation to the Task Committee in January.

Similarly, if any members have succeeded in solving a water pollution problem and are willing to have their methods made public, this information will also be welcomed for presentation.

Yours very truly,

Robert L. Ziegler
Secretary.
